# ENVIRONMENTAL POLICY STATEMENT

Palintest Limited is committed to managing all activities so as to provide the highest levels of care and safety for the environment, our customers and our employees. To achieve this, the Company shall develop, implement and maintain an environmental management system which will comply with the requirements of BS EN ISO 14001:1996 as a minimum standard.

To sustain and protect the environment, Palintest Limited will :-

- a) Comply with all relevant environmental legislation and regulations;
- b) Audit our operations to ensure that pollution and waste are reduced or, where possible, eliminated;
- c) Continuously improve our environmental performance;
- d) Liaise with suppliers and customers to promote good environmental practice;
- e) Ensure that all employees understand the Company's environmental policy by awareness campaigns and education. This will include subcontractors working on-site.

Where possible, the environmental and quality system procedures will be merged into a single integrated management system.

The requirements of the policy and operating procedures are mandatory for all personnel and subcontractors working on-site.
